The Secretary to the Government of

Sir,

I beg to acknowledge receipt of your letter No. 2011/362-19-2 of the 9th January and in reply to state that until the full value of the papers is paid at end of the due period I do not see how there can be any fall in the rate of interest. The Mysore Government have undertaken to pay 5½ per cent up to a certain period when they will buy up the papers at their full value. It is only afterwards that the question of fluctuation in interest can arise.

I respectfully request however that the Government may be pleased to account the 3500 now sent and devote the interest accruing thereon in the manner requested by me. Should at any future time there ~~should~~ be a fall in the interest a proportionate reduction may be made in the amounts allotted for the two purposes.

I beg to remain,
